EWF ANTI-DOPING REPORT IN CONJUNCTION WITH FAIR PLAY

In competition activities:

- EWF EB Meeting: The IWF Needle Policy has been emphasized to be included
- Fair Play Award to Lidia Valentin for her outstanding performance and doping free activities. She is a role model for all European athletes in high performance. Lidia has been a victim of the 2012 London Olympic Games, receiving finally her well earned Gold Medal in 2019!!
- New Anti-Doping regulations modified into the EWF Anti-Doping Power Point Presentation.
- Fair Play & Anti-Doping Seminar dates in Durres have been sent out several times to all European Federations.
- 3 Fair Play & Anti-Doping Seminars have been conducted in Durres. IWF President Mr. Jalood has been supporting our seminars personally in Durres.
- **ELEIKO** SPONSORED latest edition of T-Shirts to each first female and first male registered participants.
- Certificates of Attendance have been issued to each participant.
- I thank the EWF Fair Play Commission Chair Alex Padure, the EWF and the Polish Weightlifting Federation for conducting a great Fair Play & Anti-Doping seminar in Raszyn – Poland.

Other:

- EWF Reminder to all European member federations for the WADA ADAMS Whereabouts submissions before the period deadlines.

New included Anti-Doping Documents to download on the new EWF website:

- IWF Guidelines Allocation of Anti-Doping Costs 2021
- IWF ADP 2021

- Prohibited List Final 2022
- List of national Anti-Doping organizations worldwide
- IWF-Guidelines Needle Policy

The EWF Fair Play & Anti-Doping Commissions remains to your services.

We cannot do this without you. Therefore we are open to your suggestions in improving together our fight against Doping.

Best wishes,

Denise Offermann
