Dear EWF Interim President,

Dear EWF General Secretary,

Dear EWF Executive Board Members,

Dear colleagues,

I hope my e-mail finds you well.

As you know, I am still the elected EWF president. However, after the allegations made by ITA, I stepped aside until the allegations against me are legally concluded. My case still continues at CAS ADD against the claims of ITA. None of the allegations made by ITA against me have been legally proven so far. In this case, the presidential election to be held by the EWF is completely unlawful on the following grounds:

**The elected EWF president did not resign.*

**EWF has initiated this process based solely on legal advice. However, no advice can be a justification for breaking the rules.*

**EWF did not comply with the calendar in the EWF regulation while determining the election calendar before.*

** While deciding on the new election calendar, the EWF decided that the election should be held just before the IWF elections. Even the date set by this unlawful decision is not valid now because the IWF postponed the election for a few months.*

In the light of the above explanations, the election to be held is illegal and you should stop this election immediately. If you proceed with the election, I would like it to be known that I have noted this situation and that I reserve my legal objection to the election to be held.

Please accept my cordial greetings.

Best regards

Dr Hasan AKKUS
